EDUCATION

- **National Institute of Technology, Silchar** Assam, India
Bachelor of Technology - Civil Engineering; CGPA: 8.11 *August 2024 - June 2028*
- **Bakshi's Springdales School** Kota, India
HSC; Percentage: 91 *July 2022 - June 2023*
- **Vidyashram Public School** Kota, India
SSC; Percentage: 90.8 *July 2023 - June 2024*

EXPERIENCE

- **Freelance Web Developer** Remote
Startup Projects *2024 - Present*
 - Designed and developed responsive websites for early-stage startups, translating client requirements into functional, production-ready web pages.
 - Handled end-to-end delivery – from UI design and frontend development to deployment – ensuring fast load times and mobile-friendly layouts.
- **Problem Setter** *2024 - Present*
Coding Contests
 - Authored original algorithmic problems and designed rigorous test cases for institute-level coding contests, ensuring fairness across difficulty levels for 100+ participants.

PROJECTS

- **Chatbot using RAG:** Python, LangChain, LLM APIs, Vector Database, Flask
 - Built a Retrieval-Augmented Generation (RAG) chatbot that retrieves relevant context from a custom knowledge base before generating responses, reducing hallucinated answers versus a plain LLM baseline.
 - Implemented document chunking and embedding generation, storing vectors in a vector database for fast similarity-based retrieval.
 - Designed a lightweight Flask web interface for real-time interaction with the chatbot.
- **To-Do List Website:** HTML, CSS, JavaScript, Node.js
 - Developed a task management web app enabling users to create, edit, prioritize, and delete tasks in real time.
 - Implemented persistent data storage so tasks remain saved across sessions, with due-date reminders and completion tracking.
 - Focused on a clean, responsive UI, ensuring smooth usability across desktop and mobile screens.

SKILLS

- **Languages:** Python, C++, C
- **Area of Knowledge:** Data Structures & Algorithms, Web Development, Video Editing
- **Platforms:** Linux, Web, Windows, Arduino
- **Soft Skills:** Leadership, Event Management, Writing, Public Speaking, Time Management

ACHIEVEMENTS AND COMPETITIVE PROGRAMMING

- Solved 400+ problems on LeetCode.
- 2-Star Coder on CodeChef.
- Secured Rank 21 in a CodeChef contest #Starters243, out of 21,836 participants.
